<p>Configuration: linear trail system with side loops.</p> <p>Length (one way): Main Trail: 3.5 mi. Side Loops: 1.5 mi.</p> <p>Users: equestrian, hikers</p> <p>Difficulty: Easy, slopes are gentle and creek crossings easy. Bridges and exposed concrete may shy unaccustomed horses.</p> <p>Width: moderate, mostly 2 horse side by side, with some stretches of single file</p> <p>Footing: Loam with rare rock outbreaks.</p> <p>Terrain: Open with some wooded stretches. Occasional thorn trees near trail, so be aware.</p> <p>Horseshoes: Suggested, recommended for tender footed horses.</p> <p>Water: Bring your own, potential exists for watering horses from lake (near High Rd), but beware muddy conditions as some beaches are boggy.</p> <p>Signage: Limited., trail is easy to follow if</p>	<p>recently mowed, difficult if overgrown.</p> <p>Challenges: A pair of bridges (one concrete, one wood) may shy unaccustomed horses. Concrete bridge is shared with bicyclists. Restrooms are as close as the nearest bush.</p> <p>Weather considerations: Potential exists for lower trail to be underwater if lake extremely high. Low water crossings will be wet after rains. Trail status is available at (817) 481-3576</p> <p>Trailhead facilities:</p> <p>Dunham Road: </p> <p>Trailer parking alongside dead-end road. Circular turn around available, but may challenge longer (4 horse) trailers.</p> <p>Managing agency: US Army Corps of Engineers, Fort Worth District</p> <p>Volunteer organization(s): Cross Timbers Equestrian Trails Association</p> <p>Fees: None to ride trails.</p> <p><i>Proof of negative Coggins required!</i></p>
